CATALOGUE
OF A
COLLECTION OF COINS, PAPER MONEY,
ETC., ETC.
—
TO BE DISTRIBUTED.
ON WEDNESDAY, JANUARY 15, 1890.

PLEASE READ!

A New Method.—A collector who is adverse to auctions, has concluded to dispose of his collection by a new method.

No auction will be held, but offers for one or more lots will be received by mail until Wednesday, January 15, 1890, when all the lots described in the Catalogue will be distributed according to the highest offers. Mail or express charges must be paid by the buyer.

The owner of the collection distributed Dec. 2d was satisfied with the result, though many of the lots brought very low prices, and many bargains were secured. This catalogue contains the entire balance of his collection, with the exception of some of the choicer specimens of the U. S. series, which he will offer a little later on. Read the Catalogue carefully before making offers, and address all letters plainly to
